How to Install MZ-V3-V6.0.4.0.0 in PS4 Looking for a simple way to send/receive SMS for PS4? This article will show you how to install MZ-V3-V6.0.4.0.0 in PlayStation 4, and you can customize the setup to your own needs. I'D LIKE TO SEND SMS TO MY FRIENDS - STEP BY STEP INSTRUCTIONS We see a lot of questions about how to send and receive SMS, so here we will show you an easy way to send SMS to your friends, your girlfriend, or your boyfriend, or even to your phone number. This step by step instruction will help you to complete the task, without any problems or issues. BUTTON ON YOUR PHONE, THAT SAYS SMS Here is a beautiful picture of a girl, that has the button on her phone which says "SMS". She is just sitting on her bed, and playing the game, and her boyfriend just texted her a message, so she is just reading the message from her boyfriend, but she is not responding. She seems not to want to talk to her boyfriend for some reasons, so she pretends she's not interested, while inside her mind, she is thinking about if she should answer or not, and not responding, you can imagine how her boyfriend feels about this. So, we can say that girls are more unfair than boys in this case. WHY I WANT TO SEND SMS TO MY FRIENDS? Sending and receiving SMS are easier than you think. But, it's really sensitive issue between male and female. There are many type of girls that prefer to act rude and unkind than to talk and receive SMS with their boyfriend, or husband. Sometimes, it's really hard to expect a girl to answer you and to talk to you. This is really a good chance to test how patient she is. So, why I want to send SMS to my friends? There are many reasons that we can send SMS to our friends. TO SAY THANK YOU A general question asked by all users is that 'how to thank my friends?' First of all, send a thank you message to them, to express your thoughts, or to return a favor
