The story unfolds in the Lands Between, where a group of self-centered mercenary adventurers, gathered around a mysterious prophecy, are granted immense power from the Elden Ring to fight against an existential threat of unknown power. The adventurers gather together as mercenaries to make a fortune in the chaos. But, unbeknownst to them, a conspiracy is brewing among the mercenaries themselves. The adventure begins... You can freely change and develop your own character, through game-improvement equipment and magic. Rise as a warrior, or learn magic. From a skilled assassin to a leader of troops, you can freely combine equipment and play as you like. Connect with other players via online multiplayer, and create your own adventure! A massive world with countless situations to encounter, an action RPG that lets you choose your own dire paths, and an epic story that draws you in. They say that the action RPG genre has been dying out in recent years, but with Elden Ring, it's still alive. Featuring a variety of equipment and weapons that you can freely choose from, you can fully customize your character. The fight system in which you can quickly switch between weapons, so the game isn't too easy, and when you land a critical blow on an enemy, a special effect will occur. The weapon customization, which comes with 37 different weapons, is one of the highlights of the action RPG genre. The fusion system in which you can combine two items to create a new powerful weapon makes it easy to create new gear combinations. The experience system in which you collect EXP and level up, and the crafting system in which you can create items that can be used as weapons, armor, and tools by combining materials are also a highlight. The game also includes battles against powerful bosses such as ancient Elden monsters, which require great strategy and the use of all of the items that you've collected. When you defeat these monsters, you can use the gear that you've acquired as a reward. When the experience level of your character increases, the special attack and defense will also increase, so you can easily raise your fighting power. In addition to these abilities, the game also features a unique multiplayer element in which you can travel together with other players. When there are other players close by, you can enjoy the world together, and when you all go to dungeons, there are various fun events. The online functionality also lets you connect to the internet to see how your friends are playing the game and be introduced to other players, so you can enjoy it together. The action RPG also has an RPG element, and the story and dialogues are conveyed in a rich and beautiful visual form. The character design also has a strong emphasis on the values of humanity, and when you play as a Lord, you can be a model for humanity. Enjoy the action RPG that combines an incredible world with enjoyable battles. THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the bff6bb2d33
