album, *The Score*, which sold over 1 million copies to date. Wac manager, KRS-One, was gracious enough to grant a rare interview with WAMU. Tune in to 88.5 FM's *The Danny Kaye Show* to hear some insightful comments from the one and only Father K. WAMU: Let's start with, Wac. What makes your band different from the other Hip-Hop groups? We're saying something, we're saying something with Hip-Hop, so I think it's gonna be a good experience to the audience. Will
