the cast is great. reynolds as the anti-hero is perfect. this is the best of all the 'deadpool' films, in my opinion. his reactions to everything that happens is perfect, from the slapstick to the wry humor. he hits the beats perfectly. the supporting cast is also excellent. baccarin is clearly having a blast. their love scenes are some of the most awkward, hilarious, and sweetly romantic in recent memory. it's all very natural. the action is well done. the cgi is well done. the jokes are great. the laughs are plentiful. i haven't laughed this much at a movie in a long time. while it's not perfect, it's a pleasure to watch. the bad i can't quite put my finger on it, but the villain is less compelling. yes, i'm sure there's a reason for that, but it just felt off. there were moments where he seemed like he was there to be a threat rather than the bad guy. the script isn't as tight as it could be. again, i think there's a reason for this, but it's never fully explained. you could say that deadpool was created in part as an experiment to see if a comic book movie could be done well. the answer? probably not, but it's not as bad as some may think. this blu-ray, while not exactly packed with bonus material, does have some video material on its own. the disc starts with a quick look at the two deadpool: the beginning

---

episodes and a few "b-roll" moments. it also has the four audio commentary tracks from the blu-ray release, plus another round of interviews. all of which are worth checking out, especially if you're a completist or a fan of the film. after that, the disc has a handful of featurettes, plus a dvd version of the film. let's start with the extras.audio commentary features 'deadpool' director tim miller, lead actor ryan reynolds, stunt coordinator joel tobeck, special fx makeup artists, and the film's editor. the commentary starts off slow, but quickly picks up speed. the commentary is in-depth, but a little slow to provide the viewers with the critical information they need to have a successful experience in the theatre. unfortunately, this leads to a few moments where the commentary could have been more informative.

**Deadpool (2016) [BluRay] [1080p] English Free Download**

the rest of the marketing is centered on wade wilson, who is the star of the show. and that's a good thing. what this movie needs is a wade wilson. todaypk purpose / idea free movies online is my hobby and i daily watch 1 or 2 movies online and specially the indian movies on their

---

release day i'm always watch on different websites in cam print but i always use google search to find the movies,then i decide that i make a platform for users where they can see hd/dvd print quality movies and i listed all latest movies. i also capture the different categories of movies like if you want to see hollywood movies, or you want to see punjabi movies or you are interested in bollywood movies then i have all these type of categories in my website. i also focus on categories of movies based on actress and actors, like a person want to see all movies of amir khan from my website there he select category amir khan movis list then all movies of amir khan will be displayed. so we provide the list of movies from all actress and actors so you can find any movie and watch in high print quality. so i try my best to understand the needs of users who want to watch a movie,but still if you have any suggestion for me or you want to give me any advice you are always welcome.make comment on video i will surely reply you. i provide online full movies to watch and free download so always stay connected with our website to enjoy the latest movies and if you dont have time to watch just make that movie on download and when will you free then you will watch that movie in best print.
