

Pedda Bala Shiksha By Gajula Sat ((EXCLUSIVE))

This was the second time she made a Pedda Bala Siksha. "Our neighbours and friends were curious to know how this was done. I also got some orders from importers, distributors and other trade associations. The demand for Pedda Bala Siksha can come from all sections of the society and will be beneficial," she said. Well this book is not only a book and not only an encyclopedia but a compilation of samples of the philosophy of grammar in a concise form. Gajula Satyanarayana, the greatest Telugu writer of all times, was living in 1940s. Initially the book was arranged and published. Satyanarayana's Balala Siksha, the world's first textbook on Telugu grammar which was translated into English and published in Hindi. He used to be popular as 'Ramanujam' or 'Satyanarayana'. He wrote a number of books and this book is a result of his work on grammar. He was a professor of Telugu in Andhra University and had written several other books such as Kavitrayam, Ganamu, Amaravatayam, and Manassadhara Prapanchamam. This book of Gajula Satyanarayana was arranged in parts of 15 chapters. It was published in 1957. The basic concept of Balala Siksha is to make the mind free from studies by teaching the mind. This is a collection of samples which helps the learner to memorize at that age and develop the habit of continuous learning. It is considered a milestone in Telugu Literature. For the benefit of the children, the words used in the book are simple, easy to understand and devoid of tricky Sanskrit terms, even the word 'Ayam' is explained. Satyanarayana's books are considered a milestone for the students who are studying Telugu. This book is like a diamond, as it has become the only standard reference for the Telugu language. Its 100% free. It is recommended for Telugu students, especially the high school and college. For more information, please click here.

Some structure may change with changing time, but the total width of the fort will not. The ancient Pedda Balasikeshawa, the only preserved Bala Sihaksha of this type in the state, is approximately 1,200 m. The structure was completed in 9th century. It took my interest a great extent. I got to know the writer of the book Gajula Satyanarayana through my friends. I read two of his books, Pedda Bala Siksha and Gajula Sangamam. I was amazed to read the basic principles in which the writer shares with us. I wanted to read more and read his other works but could not find it easily. Finally, one day, when I was selling the books on the street, I found the title Pedda Bala Siksha. While I was reading the book, all the things about Pedda Bala Siksha mentioned in the book come to my mind. I was very interested in the book and told my relatives about it. After that, they also started buying the book. Over the period of time, I studied more about the book and the writer. There are many people who are also interested in it. One day I asked my friends about the book, they told me that they had not read it. Later on, I went to a book store in Hyderabad and found that the book was in the book store. I found it so amazing. I was so happy to see it. I read it myself and understood what it was about. After that, I understood the meaning of the name Pedda Bala Siksha and decided to read more about Gajula Satyanarayana. After reading the book, it became very clear that the writer is very generous and nice to the society. He shows us the right way and encouragement to live life in a good manner. He writes all the things with the utmost love and affection. The author is a great teacher in many aspects. He writes some facts about the life of our ancestors and some of our common activities. He also told us the life of some great writers. He inspires us to read more and learn from him. He also tells us how to become a good writer. I started writing a book with the help of Gajula Satyanarayana which is now published and published in five volumes. 5ec8ef588b
